## Documents you may receive in the financial planning process

We will provide you with several documents as you progress through your financial planning and advice journey. We may provide these documents electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA). The SoA contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of our advice.

If we provide further personal advice an SoA may not be required. We will keep a record of any personal advice we provide you for seven years. You may request a copy of such records by contacting us during that period.

If we recommend or arrange a financial product for you, we will provide a Product Disclosure Statement (PDS), or Investor Directed Portfolio Services (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks, as well as the costs you will pay the product provider to manage that product. You should read any warnings in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

## Our fees

We will discuss and agree the actual fees with you before we proceed and where relevant the fees and commissions will be disclosed in the advice document provided to you. The following section outlines the types of fees that may apply.

The fees charged for our advice and services may be based on a combination of a set dollar amount, or a percentage-based fee. Our agreed advice and service fees may include charges for one off or regular fees. We may also receive initial or ongoing commissions from certain product providers.

### Licensee fees

All permissible fees and commissions will be paid directly to the Licensee. It will then pass on the amounts due to us through its payment system. The Licensee charges us a Licensee Fee each year. The Licensee Fee is determined as an annual amount based on a number of factors, including our business revenue, the number of advisers and/or accredited mortgage consultants in the practice and a practice fee.

### Other costs

Other costs may apply in the process of providing our advice and services to you. We will agree all additional costs with you prior to incurring them.

The following table outlines the range of fee we charge and should be used as a guide only. We will discuss your individual needs and agree our fees with you. The actual agreed fees will depend on factors such as the complexity of your circumstances and goals and the scope of the advice. All fees and charges include GST.

Fee type & Description
Initial or ad hoc fees Initial advice fees and ad hoc fees range between \$440 and \$5,000 for a single strategy and \$1,650 and \$20,000 for multiple strategies.
Ongoing service fee If we have entered into an ongoing fee arrangement for an ongoing review of your financial planning strategy, the fee can range from a 0% to 2.0% pa depending on the level and complexity of service. Or we may charge a direct dollar amount. Details of the services and fees will be set out within the agreement and disclosed to you For example, if you are on a 2% ongoing service fee, your account balance was \$100,000, your fee may be up to \$2,000.

#### Annual advice and service fees

You can elect to enter into a 12-month advice and services agreement as part of your financial planning strategy. The fee can range from a 0.55% pa to 2% pa depending on the level and complexity of service. Or we may charge a direct dollar amount. Details of the services and fees will be set out within the agreement and disclosed to you

For example, if you are on a 2% annual advice and service fees agreement, your account balance was \$100,000, your fee may be up to \$2,000

#### Commissions

##### Insurance:

**Initial commissions:** Up to 66% of the first year's premium for new policies implemented from 1 January 2020.

We may receive commissions on increases or additions to existing policies of up to 130%.

##### **Ongoing commissions:**

Up to 33% of the insurance premium each following year.

**For example:** On insurance policies implemented from 1 January 2020, if your insurance premium was \$1,000, we would receive an initial commission of up to \$660. We would receive an ongoing commission of up to \$330 pa.

##### Research into Industry Superannuation Funds

To ensure transparency regarding our fees it is important you are aware that when dealing with Industry Superannuation Funds as a product class, we find it requires further time to research, compile and assess the merits of such as a suitable investment on an ongoing basis. While we find Industry Funds are suitable in some cases, it costs us more in administration and research time to analyse, communicate and transact with them. As such we may charge an additional fee of \$440 per Industry Superannuation Fund, per review, when providing ongoing advice. Generally, this would be twice a year so when doing comparisons on the cost of monitoring and managing an Industry Superannuation Fund on your behalf, we allow an additional \$880 per year when comparing costs with Retail funds.

## Other benefits we may receive

In addition to the payments explained above we may receive other monetary and non-monetary benefits, support services or recognition from the Licensee to help us grow our business. These are not additional costs to you. They could include training, badging rights, technology and technology support, marketing, financing, events or other recognition we are eligible for. We may receive benefits from product issuers that may include non-monetary benefits that are valued at less than \$300. We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

From time to time, AMP Services Limited (ASL) may facilitate access to the Licensee and us to be trained and educated by product issuers on their products.

### Personal and professional development

The Licensee provides personal and professional development opportunities such as education and professional development programs, offered annually to qualifying practices.

### Placement fees

From time to time the Licensee may receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by the Licensee. We may share in this fee based on the level of participation by our clients.
